

## Section 7: STEPS Stroke Instrument and Forms

---

**Introduction** This section provides the generic guidelines for data collection staff.

---

**Purpose** This section provides the STEPS Instrument (version 2.1), and the application form for completion prior to being registered as a Stroke Surveillance Site.

---

**Further guidance** For further guidance on completing data elements in the Instrument, please refer to the data collection guidelines provided in section 5 of the STEPS Stroke Manual.

---

**In this section** This section covers the STEPS Stroke Instrument and the following forms.

<b>Topic</b>	<b>See Page</b>
STEPS Stroke Instrument	7a-1
Application for Participation	7b-1
