Thursday 9 and Friday 10 December 2010

*Including a Progress Update Session by the Global Fund To Fight AIDS, Tuberculosis and
Malaria, Friday 10 December (14:00 - 17:30)*

The World Health Organization (WHO) and the Joint United Nations Programme on HIV/AIDS (UNAIDS Secretariat) organize the annual two-day consultation with pharmaceutical companies on Thursday 9 and Friday 10 December 2010 in Geneva.

The objectives of the consultation are:

- ✚ To present innovation and new approaches towards Universal Access, including Treatment 2.0 Initiative and the Elimination of Vertical Transmission.
- ✚ To present and discuss ARV market trends and global demand forecasts 2011-2012.
- ✚ To present and discuss the situation on domestic and international resources for ARVs, and report on ARV market, procurement and supply constraints.

The consultation will also include a progress up-date session on pharmaceutical management activities by the Global Fund to Fight AIDS, Tuberculosis and Malaria

The consultation will bring together ARV producers - innovator and generic ARV and active pharmaceutical ingredient (API) producers, staff from partner organizations: Global Fund To Fight AIDS, Tuberculosis and Malaria, PEPFAR, UNITAID, UNICEF, USAID, SCMS, the Clinton Foundation on HIV/AIDS, the Futures Institute (consultant to WHO and UNAIDS), and staff from WHO and UNAIDS Secretariat.
