

EXERCISE:

PLANNING YOUR NEEDLESTICK PREVENTION COURSE AT YOUR FACILITY

- **What are your ideas about potential training opportunities at your facility, your province/region, your country?**
- **Who would be your audience?**
- **What is your desired timeframe for conducting the training?**
- **How can you “sell” the idea to your manager? Safety personnel? Administrators? Your colleagues?**
- **How will your employer / your colleagues benefit from your presentation of this training?**
- **Who are your potential allies?**
- **What leverage can you use to make this training happen?**
