

10 YEARS of evidence-based
action and accountability.

The Partnership joins the sexual, reproductive, maternal, newborn, child and adolescent health communities into an alliance of more than **725 partner** organizations. Our mission is to increase the **engagement, alignment** and **accountability** of partners, by creating a multi-stakeholder platform that will support the successful implementation of the *Global Strategy for Women's, Children's and Adolescents' Health*, enabling partners to **achieve more together than any individual partner could do alone.**

SEPTEMBER 2005
The Partnership is **born**. Maternal, newborn and child health (MNCH) alliances come together to achieve MDGs 4 and 5.

Kul Gautam, UNICEF, named Founding Chair.

OUR GOAL
A world in which every woman, child and adolescent in every setting realises their rights to physical and mental health and wellbeing, has social and economic opportunities, and is able to participate fully in shaping prosperous and sustainable societies.

WHO WE ARE
Partners include academic, research and teaching institutions; adolescents and youth; donors and foundations; health-care professionals associations; multilateral organizations; non-governmental organizations; partner countries; and the private sector.
