

Acknowledgements

The World Health Organization wishes to express its appreciation to all those whose efforts made the production of this book possible. An international group of experts from a diverse range of backgrounds provided the material for the book and also submitted the material to a process of mutual review and endorsement. The contributors are listed on the following pages.

Thanks are also due to James Chudley, for assistance in the preparation of the illustrations, to Andy Fewtrell for technical advice, and to the Centre for Research into Environment and Health for its continued support.

Special thanks are due to the Karolinska Institute, the Ministry of Health of Sweden, the city of Stockholm, the Swedish Institute for Infectious Disease Control and the United States Environmental Protection Agency, which provided financial support for the meeting and this book.
